

Please join the physicians and associates of Henderson & Walton
Women's Center as we celebrate with

Dr. Jeff Gunnells

upon his **RETIREMENT** at the end of July!
Since July 1988, Dr. Gunnells has invested more than

38 years

caring for women and their babies in Birmingham and the surrounding
communities. We will miss you, Dr. Gunnells, but we rejoice with you
as you move into this new and exciting phase
of your life and work!
